*Recent release "All Cracked Up," from Newman Springs Publishing author Preston Alfonso Scott, Sr., is the heartfelt and deeply personal true story of how the author, after failing to find success with twenty different drug rehabilitation programs, overcame his powerful addiction by turning to the only thing in the universe more powerful than anything on Earth: The Lord.*

Los Angeles, CA April 26, 2023 --([PR.com](http://PR.com))-- Preston Alfonso Scott, Sr., a self-proclaimed small-time country boy from Muskogee, Oklahoma, has completed his new book, "All Cracked Up": a profound and moving account of how the author overcame a terrible life-destroying addiction through the incredible uplifting power of prayer and his Heavenly Father.

Scott, Sr. writes, "I'm in hopes that my book will open up the eye of the public in the world around us, about the addiction to crack cocaine and other drug that used, and that human beings especially addicted to drugs are not bad people but only make bad choices while under their addiction to whatever their drug of choice is. Understand in life that we all shall experience some trauma or turmoil in our lives. But no man nor woman in God's great earth has the power to judge and condemn than our great holy God! He is just and merciful all the way to the end of our lives!"

Published by Newman Springs Publishing, Preston Alfonso Scott, Sr.'s enlightening tale reveals the immeasurable healing power one can discover when they hand their lives and faith over to the Lord. Through his writings, Preston aims to encourage readers to open their hearts and minds up to Christ's incredible messages, and to allow themselves to look towards God to carry them through life's darkest and most challenging moments, trusting he will deliver them to the light on the other side.
