"Where's My Wabby Dabby?" is the creation of published author, Elba Martinez, a dedicated pastor's wife and mother of four.

Elba Martinez shares, "Eva is a little girl with a big imagination. She talks to animals and insects, and only she understands them. Her Papa leaves on a trip, and she forgets he told her he was leaving. In the morning, she goes outside in search of answers. She is sure someone will tell her where her Papa went. Eva sees a bird, a squirrel, and an ant in her backyard. She knows someone will have the answer she is looking for."
