

United Capital Secures Terms for up to \$8.5MM

Customer in the Event Industry Sector looking to secure up to \$8.5MM in debt refinancing.

Houston, TX July 19, 2025 --([PR.com](https://www.pr.com))-- The customer offers a robust suite of turnkey services, including General Contract Services, General Session Production, Video Production, Content Creation, Live Event & Off-site Event Production and Event Freight Shipping.

The \$8MM in new debt will refinance their current schedule of debt and provide liquidity to take on additional customers. The debt will be structured as a 10+ year amortizing note and a carve out for a revolving line of credit.

United Capital Partners is a premier financial services firm specializing in tailored debt solutions for businesses across various industries. With decades of combined experience, we bring expertise, agility, and a client-focused approach to financing.

Products include: Lease and Loan Financing, Growth Capital, Working Capital, Revolving Lines of Credit, Acquisition and Bridge Financing. Offerings range from \$500,00 to over \$150,000,000 and cover a wide cross-section of industries, including software, biotech, manufacturing and services.
