The background of the book cover is a deep red. It features a composite image: on the left, a close-up of a person's face with light blue eyes; on the right, a close-up of an owl's face with large, orange, glowing eyes. The two faces are merged together, with the owl's face appearing to be superimposed over the person's. The person's face is partially obscured by the owl's face. The overall effect is mysterious and intense.
